The house of DelRey was founded in 1949. Ever since it is famous for her chocolates and her unique creations. Inspired by his former experiences at the best chocolate ateliers of his time, when they took over Chef chocolatier Bernard Proot and his wife Anne Seutin added a new refinement to the tradition of DelRey.

The introduction of the Diamonds, Antwerp Fashion- and Secret Garden collections have resulted in a worldwide reputation. The DelRey chocolate lounge is a highlight for many tourists who visit Antwerp. This international approach also resulted in the opening of three shops in Japan.

The ateliers, in the city centre of Antwerp, radiate tradition, quality and creativity. These ateliers have been the starting point of some of the best chocolatiers and pastry cooks.
